

CISC
Curriculum and Instruction
Steering Committee

Dear Corporate Partners:

We invite you to join us for an exclusive opportunity to connect with over 1500 top level K-12 education decision makers during the 2017 CISC Leadership Symposium at the Disneyland Hotel in Anaheim, February 22-24, 2017. Partnership in our event as a sponsor provides your company access to innovative leaders throughout California as they convene to share proven practices and discover emerging trends.

The 2017 CISC Leadership Symposium theme “Make it Personal” will focus on educational leadership that will promote excellence in equity and access for all California learners.

Sponsorship is a smart investment for your company and provides:

- **Networking** - Engage and interact with an anticipated 1,500+ attendees and featured presenters to hear what leaders of K-12 learning are focused on.
- **Access** - Receive unprecedented access to California’s top education decision makers.
- **Recognition** - Enjoy broad visibility both on-site and online supported by access to Symposium leaders during a sponsor bingo challenge.

We strongly encourage you to participate! Visit our webpage at www.ciscsymposium.org for details about how to join us as a sponsor. Please contact our Sponsorship Chairperson, Alisa McCord at 714-327-1063 or amccord@ocde.us to discuss what level would be best for you.

On behalf of our 2017 CISC Leadership Symposium, I would be delighted by your commitment to be a proud sponsor of this symposium!

Sincerely,

A handwritten signature in black ink that reads "Christine Olmstead".

Christine Olmstead, Ed.D.
Assistant Superintendent
Instructional Services
Orange County Department of Education
2017 CISC Leadership Symposium Chair

The Curriculum and Instruction Steering Committee (CISC) is a committee of the California County Superintendents Educational Services Association (CCSESA). It initiates collaborative leadership with school districts, the California Department of Education (CDE), and other partners to ensure programs, practices, and services that support success for all students.
